Essay Questions:

- List the school and/or activities you have participated in while a student in high school. For each activity, include your role, responsibilities, years of involvement, and approximate number of hours invested per semester.
- Explain a project you have participated in or volunteered for that best highlights your leadership skills. Include details to describe your role and how you took initiative throughout the project.
- How has cancer affected your life, and what have you learned from it? Include details explaining the impact it made on your family, community, and personal experience.

Together Forever: A Skyler Sanders Family Foundation is a non-profit organization – 501(c)(3) created in memory and in honor of Skyler Sanders. We have countless fond memories of Skyler and we cherish each and every one. Each day, young families across the nation and world are given life shattering news that they have cancer, and may never have a chance for fond memories. Our goal at Together Forever is to create opportunities for these families to make memories that last a lifetime. Our purpose is to select qualified young families and provide them with an all-expenses-paid vacation in order to give them a break from their normal lives.
