

Branson Public Schools
School Action Plan 2023-24
Proficiency Scales
Branson Junior High School

Strategic Plan Goal: Empower educators to design engaging learning opportunities that ensure equitable access to real-world experiences which impact academic success and personal growth.

Strategy SS.1: Ensure all grade-level content areas and secondary courses are aligned to the Missouri Learning Standards to promote college and career readiness.

PGP 2023-24 Goal: All secondary teachers will identify and refine priority standards and will begin deconstructing the priority standards.

Current Data Points	SMART Goal	Action Steps and Evidence
<p>Historical MAP/EOC Scores</p> <p>NWEA Teacher Growth Reports</p>	<p>PGP 2023-24 Goal: All secondary teachers will identify and refine priority standards and will begin deconstructing the priority standards.</p> <p>Why? The identification and implementation of priority standards provides teachers with clarity of what standards should be taught with greater emphasis. The deconstruction process specifies what skills should be taught within each standard.</p>	<p>District Support:</p> <p>Hosted Marzano Institute Training on Priority Standard selection and deconstruction process (August 17, 2023).</p> <p>Designed Priority Standard work time at the Branson Teaching & Learning Institute to support teacher learning.</p> <p>Designed PGP forms in Frontline to support teacher reflection and learning.</p> <p>Building-Level Support:</p> <p>Dedicated time during weekly collaboration and team meetings to support Proficiency Scale Initiative (BJHS Collaboration Schedule).</p> <p>Expected Product:</p> <p>Priority Standards per course are published on the district website in a consistent format.</p>
