

1st Grade Summer Reading Challenge

Welcome to the Buchanan Summer Reading Challenge! Our summer reading goal is to have each family read 100 books with their first grader before the 2024-2025 school year. Color in one picture for every book read. First graders who meet this goal will be invited to a super fun reading celebration in the fall! Please return completed forms to the library at the beginning of the school year.

YOU DID IT!!!!

Student Name: _____

Second Grade Teacher: _____

Total # of books read: _____

Parent Signature _____
