Accountability

Building Specific Action Plans	Building Specific Action Plans	Building Specific Action Plans
1 Develop common assessments aligned to Missouri Learning Standards. (EP) 2 Utilize assessment data from common assessment development to drive instructional practice. (EP) 3 Each teacher will submit Student Learning Objectives to monitor student growth by using formative and summative assessments. (OE)	1 Focus departmental collaboration to provide instructional best practices and common assessments. (OE) 2 Provide students with increased accessibility with Chromebook Accessibility Plan. (A) 3 Administration will provide feedback to teachers regarding areas of strengths to maximize teacher effectiveness and student learning. (A)	1 Provide enhanced attendance incentives and procedures to increase MSIP Standard 4. (OE) 2 Create engaging learning environments that demonstrate the relevance of education. (EP) 3 Continue to provide alternative pathways for at-risk students to persist towards graduation. (A)

INNOVATION & SUPPORT

1. Academics - Consider the students varying abilities and interests, the district will provide educational opportunities to develop critical thinking and reasoning skills to better prepare students for future endeavors.
2. Activities - Provide activities, clubs and organizations that will encourage the cultivation of student interests, abilities and collaboration with a goal of giving our students a competitive advantage throughout life.
3. Athletics – Provide diverse competitive athletic programs that will encourage the cultivation of students' abilities, character, and teamwork with a goal of giving our students a competitive advantage.
4. College and Career Readiness – The district will provide college and career readiness programs to partner with community opportunities for student development.
