The Wonderful Dr. Seuss 2!

Popcorn word focus: to and can

On **Monday**, we'll read a book describing feelings by Sandra Boynton and My Many Colored Days. We will make a class book with each child's color and what feeling it makes them feel. We will read Heartprints and discuss how we imprint each others hearts.

On **Tuesday**, We will read The Cat in the Hat Came Back. We will discuss what to do if a stranger comes around, 911, and practice telling vital information.

On **Wednesday**, we will read Horton Hatches the Egg. We will make an egg and write about what will hatch out of ours.

On **Thursday**, we'll read The Lorax and think of ways to protect our environment. We will decorate truffula trees to display. Wear red, white, & blue clothes to promote world peace.

On **Friday**, we will read Oh, the Places You'll Go. We will play a memory game trying to remember what each person before said they would bring on a trip.

The Circus

Please make sure you label the plastic sack with your child's name with their costume inside. Girls and boys need a gray shirt and gray pants.

HOMEWORK

Monday, March 7, 2016 we will bring home a new kind of homework.

AT SCHOOL, WE WILL GLUE ON A MAGAZINE PICTURE AND WRITE ONE SENTENCE ABOUT IT.

When we bring it home, we will think of a **second sentence that goes with that same magazine picture and sound spell it under our first sentence.**

We will bring home a letter attached to that first homework explaining how parents can help and what we will need to do on our own. These kids are growing up and can do so much more than at the first of the

year. **We will read our sentences to the class on Thursday!**
