

Events Coming Up:

Tuesday , February 14	Valentine's Day Party—(1:00-2:00)
February 20	School in session to make up a snow day
March 7	Steam Night

A Few Reminders

Many students are in need of dry erase markers and some need new ear-buds. The markers dry up pretty fast and ear-buds tend to pull apart with daily usage. Please send some in with your student if they need it. Thanks for supporting our students.

try	kind	high
right	eye	buy

Homework for: Feb. 6-10

Monday: Math sheet and read at least 20 minutes.

Tuesday: Math sheet and read at least 20 minutes.

Wednesday: Math sheet

Thursday: Math sheet and read at least 20 minutes.

Friday: Read at least 30 minutes.

I understand some nights you may be busy so I ask that by the following Monday students read a total of **100 minutes**. They should be reading 'Good Fit' books! :)

Mrs. Bosley's News

February 3, 2017

Leaders use the 7 habits on a daily basis!!

Math	We will continue and finish Topic 11, three-digit addition and subtraction
Reading	We will be reviewing summarizing and inferences in our reading.
Writing	We will be working on our <i>All About Books</i> . First the sloppy copy, then revise and edit then final draft.
Science	We will start with force and motion.
Word Work	The vowel sound in try, kind, and right is the long I sound. This maybe spelled y, i, or igh.

A Note From Mrs. Bosley

Reading levels need to be at a 24, for the 3rd quarter. Please continue to read with your students at home or in the car. Practice really does make the difference.

Students may bring in decorated boxes or bags for their Valentines on February 14th. I have seen some very clever boxes in my time. I will be providing sugar cookies for the class that day. If anyone would like to furnish drinks, that would be great.

Feel free to contact me anytime!
